

THRU : Chief, Planning and Review Staff, ORR  
Chief, Industrial Division, ORR  
Chief, Producers' Equipment Branch, ORR

10 December 1958

**Biographic Requirements**

REFERENCE: St/PR Memo of 10 October 1958

The Producers' Equipment Branch is submitting the following biographic data requirements in response to St/PR's request:

1. Economic Activity

Priority 1.

Pumps and compressors  
Locomotives and rolling stock

Priority 2.

Metalworking machine tools  
Metalforming equipment  
Electrical equipment  
Automotive vehicles  
Diesel engines  
Metallurgical equipment  
Chemical equipment  
Tractors  
Turbines

Priority 3.

Agricultural machinery  
Construction and roadbuilding machinery  
Mining machinery  
Oil field equipment  
Precision instruments

2. Country Priorities

In this list, the USSR has first priority, the next five countries have approximately equal priority, and the last two have the lowest priority.

USSR  
Czechoslovakia  
East Germany  
China  
Poland  
Hungary  
Rumania  
Bulgaria

3. Personalities (in order of priority)

All the positions listed below (except a and b) refer to the plants responsible for the production of the commodities listed above.

a. Officials of the heavy industry and the machine building sectors of Gosplan USSR and the union republics and of the KPSB.

b. Members of the sovmarkhs responsible for the administration of production facilities at the local level (usually the chief of the machine building administration of the sovmarkhs).

c. Plant officials

Plant directors  
Chief engineers  
Deputy plant directors  
Chief designers  
Chief technologist  
Chief of production  
Ship superintendents

d. Officials of scientific research institutes of the machine building industry; i.e., ENIPS, TsNITTMASH, TsBEM, VNIISTROYDORMASH, NTOMashprom, VNIIPTMASH, TsNIDI, TsNII-MPS).

The Producers' Equipment Branch is presently engaged in a project entitled, "Soviet Personalities Involved in Atomic Energy Compressor Work." There will be a continuing interest in all Soviet personalities which are connected with the designing, development, production, and use of compressors in the Soviet Union with a particular emphasis on centrifugal and axial flow compressors. Plants of particular interest are:

Chirchik Sredazkhimash  
Leningrad Nevskiy Machine Building Plant imeni Lenina  
Moscow Compressor Plant  
Kiev Bol'shevik Machine Building Plant

Gor'kiy "Dvigatel' Revolutsii" Plant  
Leningrad "Kirov" Machine Building Plant  
Leningrad "Metallist" Machine Building Plant  
Moscow "Borets" Machine Building Plant  
Sverdlovsk "Trakhtormash" Plant  
Sverdlovsk "Trakhtormash" Plant

Organizations of particular interest are:

Central Boiler and Turbine Institute (TsKTI)  
Central Aero-Hydrodynamic Institute (TsAGI)  
Leningrad Polytechnic Institute (LPI)  
Central Institute of Aircraft Engine Construction (TsIAM).
